NEW LEAF

Beautiful, healthy landscapes help your properties shine.

A standout property... or ho-hum?
A healthy, vibrant landscape makes all the difference!

At The Growing Company, we're experts at bringing out the best in each and every landscape. Our comprehensive program includes turf care, pruning, seasonal color, general grounds care, irrigation, water conservation and more. And when it comes to service, we make your job easier by doing ours exceptionally well.

Let us show you how we can make your landscapes look great – and your job easier. For a free consultation, give us a call today at (916) 379-9088.
